NOT PRESENT IN ANY ITEM ON THIS MENU

Crustaceans, molluscs, fish, celery, mustard, sulphur dioxide and lupin do not appear in any catering item across both pages.

Taken from the Umi Falafel Menu Allergen List (2025–2026). The corporate bowls, pickles and olives, and basbousa are catering-only builds that sheet does not itemise, and were confirmed directly by Umi. The Umi GF Bowl is built without gluten-containing ingredients but is not certified gluten free. Prepared in kitchens that handle gluten, milk, egg, sesame, soya and nuts, so we cannot guarantee the absence of cross-contact. Full list of allergens available on request.
